

FULL STEAM AHEAD

With TLP Leadership Advisory Services

SERVICES:

LEADERSHIP COACHING & CONSULTING

We work with Executive leaders to clarify goals, achieve development objectives, and help them to see leadership traits and situations from a different perspective. Our specialty is working with senior leaders and board organizations to evaluate governance practices, individual and team dynamics.

We also work to develop Mid-level manager helping them focus on their strengths, these leaders sometimes get stuck in a position and do not know how to move forward.

Talent Assessment

During the hiring process we provide an assessment of whether candidates can do the job and are a good fit for your company. We help you succeed in finding the right candidate choice so you can build a strong team.
